

AN EYE THAT NEVER SLEEPS....

32 Channel AHD Digital Video Recorder

MODEL: TI-QX4-AVR-32CH

KEY FEATURES:

- Cloud technology, 1 step for Internet
- Support ONVIF protocol
- Completed protective circuit
- Support Mobile View

Features

Operating System	Embedded Linux
Operating mode	Real time video and multi-channel real-time playback , multiple USB backup
Image coding	H.264 (configuration)
Video input	32 channel
User interface	GUI
Video output	1HDMI, 1 VGA, BNC 75 Ohm
Compression	H.264/MJPEG
Video recording	32ch AHD
Video display split	1/4/8/16/32
Display Quality	Support(1920*1080,1280*720,1440*900,1280*1024,1024*768)
Audio input	Up to 16
Alarm input	2/4/8/16 channel alarm input
Audio out	1
Video Resolution	2560x1920, 2048x1536, 1920x1080, 1280x1024, 1280x720, 1024x768
Video loss	Supports
Camera blank	Supports
Hard disk	2 SATA ports supports , up to 6TB
Recording mode	Auto and manual
PTZ Control	1RS485;Support Multi PTZ Protocol

Play back	Play, Pause, stop, Rewind, Fast play ,slow play
Backup Mode	USB Device
Max User Account	Up to 20 users
Interface Ports	1HDMI, 1VGA, 2USB2.0, 1RJ45,1TV
Multimode input	AHD:16*AHD(720P)/16*AHD-L(960H) /Analogue :4*Analogue(720P)
Ethernet	RJ45
Power Supply	DC 12V
Power Consumption	20w(without HDD)
Operating Temp Range	~10~+55° C/10~90%RH/86~106kpa
Dimension	288.3mmX118.3mmX101mm
Weight	4.1kg
Regulatory	CE,FCC and RoHS
WARRANTY	MIN 1 year standard OEM Return to bench warranty
