AN ISO 9001:2008 CERTIFIED COMPANY

AN EYE THAT NEVER SLEEPS....

SMPS 4ch/8ch/16ch Gold

MODEL: TI-QX4-SMPS-4ch/8ch/16ch gold

Technical Feature

- Individual Output
- Stabilized output, Low Ripple and Low interference
- surge Protection
- Short circuit and overload Protection
- Over current protection
- Over voltage Protection
- High Efficiency and Low Energy Consumption
- Power Led Monitoring for individual camera channel
- Low Ripple Voltage (mV P-P):<5%
- Short Circuit Auto Restart
- Highly Integrated SMPS Switcher I.C Design
- Long distance power support
- Multiple channel output
